

February 4, 2004

Mr. Jeff Terrace
235 Old Westford Road
Chelmsford, MA 01824

Dear Mr. Terrace,

I have been informed by Barbara Dunsford in our Development Office of your generous gifts of a Sega Saturn Gaming Console with games and a Nintendo 64 Gaming Console with games to our Pediatric Unit.

As you can well imagine, a visit to the hospital can be an anxious experience for anyone especially a patient on the pediatric unit. Your gifts will make this experience more pleasant and enjoyable.

On behalf of Lowell General Hospital, I thank you and your group for these thoughtful donations.

Sincerely,

Normand E. Deschene
